

Protection against Anti-Corruption Activities

It is clear to the Board and Management the roots to which the Association is created. It highlights the value of the wealth of the Association as one which is dedicated to serve the urban poor sector. Hence, in protecting the Association against anti-corruption activities, the Association strictly implement the No Gift Policy to combat any conflict of interest which may be confined in receiving favors and compliments, whether monetary or non-monetary in value.

This matter is also for consideration for the risk of the Association. The Management needs to participate to a risk management training in order to properly evaluate and monitor existence of anti-corruption activities. This is to maintain the integrity and trust of all its stakeholders against unethical standards and to protect their interest in the Association.
